

# Screenshots of G1B3\_BED\_GradedProject3

## 1) Create Ticket

The screenshot shows a web browser window with the address bar displaying `localhost:8080/admin/tickets/new-ticket`. The browser's tab bar includes several open tabs, and the address bar shows a blue navigation bar with the text "Ticket Tracker Application Tickets New Ticket".

The main content area displays a form titled "Create Ticket". The form contains the following fields and controls:

- Title:** A text input field containing the value "Parking Ticket".
- Short Description:** A text input field containing the value "Penalty of Rs.1000". To the right of this field is a blue checkmark icon.
- Content:** A text input field containing the value "Traffic Police". To the right of this field is a blue checkmark icon.
- Submit:** A blue button labeled "Submit" located at the bottom of the form.

## 2) Home Page (List of Tickets)

## 4) Searching for a Ticket using Ticket Title

The screenshot shows a web browser at the URL `localhost:8066/admin/tickets/search?query=Flight`. The browser's address bar and tabs are visible at the top. Below the browser, a blue navigation bar contains the text "Ticket Tracker Application" and "Tickets New Ticket". The main content area is titled "List of tickets" and features a search input field with the text "Flight" and a "Search" button. Below the search bar is a table with the following data:

#	Ticket Title	Ticket Short Description	Ticket Created On	Actions
3	Flight Ticket	Bangalore to New Delhi	29-12-2023	<a href="#">Edit</a> <a href="#">Delete</a> <a href="#">View</a>

## 5) Searching for a Ticket using Ticket Short Description

The screenshot shows a web browser at the URL `localhost:8086/admin/tickets/search?query=Movie`. The application has a blue header with the text "Ticket Tracker Application" and navigation links for "Tickets" and "New Ticket". Below the header, there is a section titled "List of tickets". This section contains a search input field with the text "Movie" and a "Search" button. Below the search bar is a table with the following data:

#	Ticket Title	Ticket Short Description	Ticket Created On	Actions
2	Inox Ticket	Movie Ticket for Dunki	29-12-2023	<a href="#">Edit</a> <a href="#">Delete</a> <a href="#">View</a>
